Comments on Evaluation

Knowledge

- Content
 - Experience in facility support cleaning and housekeeping, and use and application of related equipment, products and methods, preferably in a related setting. Basic knowledge of health regulations, licensing standards and accreditation standards related to the facility needs, and scope of responsibilities organizing, assigning and overseeing work of staff. No requirement for diversified knowledge to support push on C.
- Complexity and Diversity
 - Position must be aware of the needs of Rosecrest, and the community homes and their specific cleaning, sanitizing and maintenance requirements. Must ensure the cleaning, housekeeping and porter services are provided in a timely and efficient manner by coordinating and assigning tasks to staff.
- Human Relations Skills
 - Human relation skills are beyond exchanging of information. Requires skills in supervising and motivating staff. Also skills in building relationships and effectively dealing with diverse supervisory staff across RSS in relation to meeting their facility requirements.

Creativity/Problem-Solving

Works within established regulations, standards, operating procedures and policies. The work is performed with independence and has latitude to make changes to daily staff assignments based on situations presenting. Supervision is exercised over cleaning porters performing heavy cleaning, housekeeping and porter duties to ensure cleanliness, acceptable standards and proper functioning of services. Develops operating work methods, processes and procedures within established standards and health requirements, and discussion with supervisor/management for consistent approach across RSS. Assistance is readily available.

Responsibility

Work is focused on direct supervision of cleaning porters to ensure acceptable standards of cleanliness, housekeeping and sanitation services for Rosecrest and RSS.

Job Description - 091FS06

Identification Section

Working Title:	Facility Worker
Department:	Agriculture and Forestry
Division, Branch/Unit:	Forestry Division, Wildfire Management Branch, Hinton Training Center
Reports To:	Food Services Coordinator
Levels to D.M.:	7

Purpose

(Give a brief summary of the job, covering the main responsibilities; the framework within which the job has to operate and the main contribution to the organization (see Section 2.3).)

Reporting to the Food Services Unit Lead, the Facility Worker's primary responsibilities are basic cooking support services, following standardized kitchen policies and procedures. This includes prep work, ware washing, kitchen cleaning, dining room maintenance and set up. Receiving and storing of food deliveries and general kitchen duties also fall under the responsibility of this role.

The secondary role is to ensure room turnover and refurbishment. This includes bed linen changes and exchanges. Facility Workers are required to think on their feet and adapt to a change.

Behaviours and actions are expected to align with the Government of Alberta's core values and procedures, including the Respectful Workplace Policy. The incumbent must possess good communication skills and the ability to flex to changing priorities. Key core competencies of the position are:

- Agility –able to shift priorities and change to meet client needs, stay positive during times of change, and anticipate challenges and obstacles
- Build Collaborative Work Environments – share information openly and honestly, promote collaboration and positive relationships within and outside the team
- Drive for Results – ensures work goals and objectives are met, asks for help and guidance, incorporates past learning into future work plans, and seeks to build and maintain relationships.

[Back to top](#)

©2022 Government of Alberta

Classification: Public

- Creative Problem Solving – Ability to assess options and implications in new ways to inform decision making in order to achieve outcomes and solutions.

The Hinton Training Centre develops and delivers technical training for Alberta's Forestry Division, offers meeting space, accommodations and food services to Government of Alberta, Federal and Municipal governments, and various industry groups (forestry, oil and gas, mining).

Responsibilities and Activities

(The purpose of the job can be broken down in different responsibilities and end results. Each end result shows what the job is accountable for, within what framework and what the added value is. Normally a job has 4-8 core end results. For each end result, approximately 3 major activities should be described (see Sections 2.1 and 2.2).)

1. Promote an inclusive and safe workplace where all staff feel valued and respected.

Model respectful workplace behaviours; act with integrity; be accountable; and build excellence in the organization.

- Ensure safety (physical and psychological) is considered in all work.
- Challenge disrespectful behaviours or actions that hinder inclusion.
- Cultivate a supportive and inclusive work environment for all.

2. Supports delivery of daily menu plans to clients within a defined set of policies, procedures and best practices in food preparation.

- Prepare menu items under direction of a cook.
- Follow policies and directions to utilize resources efficiently (e.g., use procedures and processes to ensure wastage is minimized).
- Ware washing, dining room and kitchen and equipment maintenance.
- Responsible for receiving, rotation and storage of food products.
- Maintain correct quantities of prepped produce available for daily production.
- Support implementation of the kitchen's service excellence program.
- Report equipment failures and problems, this includes vehicles.
- Adhere to uniform standards (e.g., safety foot ware).

3. Complete room turn over, and refurbishment of onsite accommodations.

- Change bed linens as required; execute linen exchange for long-term residents.
- Inspect rooms for pests/vermin, general wear and tear, reporting issues to the supervisor.
- Complete paperwork and reporting as required.

[Back to top](#)

- Coordinate with contractors to arrange pick-up and delivery of linens.
- Documents and reports any linen contract issues to supervisor.

4. Supports delivery of various programs at the Centre

- Participate on teams to support the delivery of the Centre's work-plans and health and safety initiatives.
- Provide support and assistance with delivering events at the Centre (e.g., equipment set-up).
- - Other duties as assigned.

Scope

(List specific information that illustrates what internal or external areas the job impacts, and the diversity, complexity, and creativity of the job (see Section 2.4).)

This positions supports Cooks to ensure delivery of high quality food services as part of a daily menu plan. Food services provided are required to meet policies and standards, i.e. food safe, nutrition, taste, and appeal. This requires a general understanding of practices to prevent wastage, as well as safe food handling procedures and practices. The Facility Worker is required to work independently approximately 50% of the time. Additionally the position other facility services such as linen turnover and visual inspections.

Contacts

(Main contacts of this position and the purpose of those contacts.)

- Food Services Unit Lead – Direct Supervisor
- Cooks –Cooks delegate tasks and assignments when they are designated as the “Shift Cook in Charge”
- Facility Workers – support each other to get delegated tasks completed
- Clients – answering basic facility questions and providing housekeeping support.
- Client Services – to coordinate completion of assigned workload (linen and general facility).

Knowledge, Skills and Abilities

(The purpose of the job can be broken down in different responsibilities and end results.

Each end result shows what the job is accountable for, within what framework and what the added value is. Normally a job has 4-8 core end results. For each end result, approximately 3 major activities should be described (see Sections 2.1 and 2.2).)

[Back to top](#)

- Basic knowledge in food preparation and food handling procedures.
- Basic knowledge and use of kitchen equipment and systems.
- Ability to work independently for significant periods of time.
- General understanding of standard kitchen concepts – food safe, client service excellence, teamwork.
- Good verbal and written communication skills, computer literate.
- Organized, works from a plan, follows standard processes well.
- Current class 5 Vehicle Operators License

Organization chart

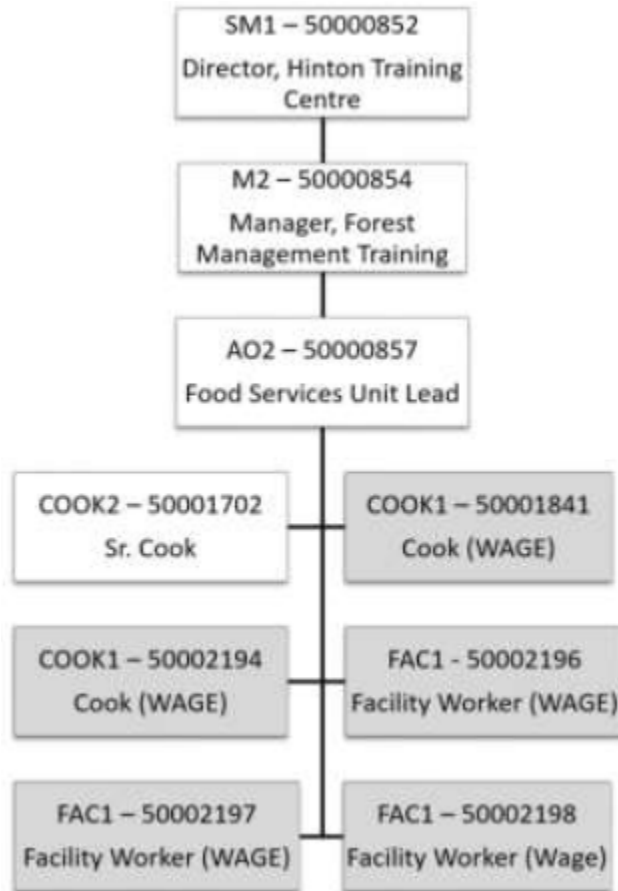

(An organization chart that includes supervisor, peers and staff MUST be attached.)
